C.E.O.s and Investor magazine's advisor of the year “Significant creates an important foundation for understanding and navigating our complex world. It reminds me that we are far more powerful than we think, and helps us understand what we have to do to change it.” Bernard L. Madoff, former Chairman of NASDAQ and Chairman of the Board, NASDAQ Significant is the first in-depth study of the most powerful force impacting the global economy and your life—all that we have left unsaid. In this book, you will learn: • The biggest obstacle to your growth in money, happiness, and confidence • What you can do about it • How to change your personal relationship with money and gain the confidence to meet your goals and make the investments that will change your life. Significant, a memoir of survival and personal transformation, includes lessons from a unique life and set of times and accomplishments, that make for a vital and necessary life guide for readers. Significant is the definitive life-changing guide for anyone who wants to make the most of their life. #2 Most Emailed Book After The Power of Now In this book, you will learn: • The biggest obstacle to your growth in money, happiness, and confidence • What you can do about it • How to change your personal relationship with money and gain the confidence to meet your goals and make the investments that will change your life. Significant, a memoir of survival and personal transformation, includes lessons from a unique life and set of times and accomplishments, that make for a vital and necessary life guide 82157476af
